

Nissan Forklift

Nissan takes immense delight in achieving total customer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the company has four separate production facilities that permit them to persistently adapt to their clients continually evolving wishes by providing a variety of progressive ideas and concepts.

The Nissan Forklift North and South American foundation is situated in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to preserve environmental responsibility by using methods that minimize the worldwide impact of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their customers insist upon while being an environmentally aware company.

Nissan is fairly confident that any of their consumers queries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community sanctioned sellers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
